

Allergy Postgraduate Programme – Imperial College London

At Imperial College London, we offer a range of courses in Allergy tailored to your career ambitions. From our intensive short courses in [allergic airways diseases and asthma](#) and [rhinitis](#) to a [full Master's degree](#) in Allergy, our programme has been designed to suit all levels of healthcare professionals who deal with patients with allergic conditions, including trainees, specialist doctors and nurses in Respiratory Medicine, ENT, Paediatrics and Primary Care.

With flexible and distance learning options available, you can study in a way that suits you and your schedule. Our courses are run by world-leading experts and incorporate up-to-the-minute information on new research and clinical practice to ensure that what you learn is always relevant to what you do. Imperial is rated as one of the top-ten Universities in the world ([THE and QS](#)).

We are pleased to offer up to 6 scholarships for highly motivated new UK/EU applicants in the next academic year 2020-2021, that is 3 scholarships covering 50% of the PGCert fees and another 3 covering 30% of the PGCert fees. Interested candidates should contact us on allergypps@imperial.ac.uk and they will be asked to submit a CV and brief application form by the 15th July 2020. This will be reviewed by an expert panel and the decision will be communicated by the end of July.

Apply today and build your career in the #HomeOfAllergy:
